AUTOMOTIVE DESIGN

The Jobe Towable collection is inspired by the principles of automotive design: the ultimate combination of speed and luxury. The outline of the towables are optimized in its aerodynamics, streamlined lines and ultimate outcomes for maximum speeds. Whereas the look and feel of the tubes are made of high quality materials. It is a collection that lives up to the utmost performance in a product of a comfortable feeling while being able to test your gear to its limits. On top of that, these innovations are complemented in the printing and artwork of the product to elevate its aerodynamics. Strengthened by a strong color pallet and fresh patterns united in the whole Jobe collection.
